## ABOUT ME

Hi, I'm Vincenzo Schettino, and I specialize in destination weddings. My mission? To capture moments that not only tell your unique story but also become timeless memories. With years of experience and a love for what I do, I've had the privilege of working on some incredible projects, from Vita in Diretta (RAI Uno) to TG3, Le Iene (Italia Uno), and Real Time. I was also the official photographer for the Italian movie "Matrimonio al Sud", starring the iconic Massimo Boldi.

I've collaborated with Graphistudio, the global leader in photographic books, helping to showcase their groundbreaking photo albums. My images have traveled the world, featured in prominent exhibitions like the Photoshow in Rome and Milan (2000-2010), and have been integral to their international promotional campaigns.

As a Profoto Flash Photographer, I pioneered the project "Specialists in Events: iPhone Fast Emotions", blending technology with a passion for capturing raw, emotional moments. It's about more than just taking a picture—it's about freezing an emotion that lasts forever.

My work has been published in leading Italian magazines such as Eva Tremila, Metropolis, and Fotografi.it, and each image I create is a personal piece of art, reflecting my journey, my experiences, and my deep connection with the people I photograph.

What sets me apart is my energy and enthusiasm. I'm not just a photographer—I'm someone who connects with you, makes you feel at ease, and ensures that your day is not just beautiful but also fun. I'm all about making every moment feel genuine and effortless, whether I'm capturing the quiet intimacy of your vows or the laughter during your reception.

I work with Canon, Fuji, and Leica, and I'm passionate about shooting in film, digital, and instant photography. Every shot I take is an opportunity to create something memorable and truly special.

If you want your wedding captured in the most authentic, emotional, and unforgettable way, I'm here to make it happen.

Let's create magic together!
